

BAEWATCH

Opening Shot: (logo) logo levels down from a rope from the sky. Rope snaps in two, logo falls. Camera tilts down on a school parking lot.

Bird eyes view of a car in a parking lot.

Valerie: I don't know what to do

Slow pan right to left in dark office, Hope in wide brimmed hat with back turned speaks into a corded phone.

Hope: We can help you

Series of quick shots:

Three girls gather binoculars.

black masks

smoothies

Amorette puts on black gloves.

Claudia pulls hair into pony tail.

Hope puts on sunglasses.

Voice-over of Hope: Because we here at Baewatch help singles by watching their crushes. For singles, by singles with no boyfriends.

All three girls pose in a Charlie's Angels fashion.

Close up of Brett's concerned face.

Tim gazes curiously at him.

Brett: It feels like someone is watching me.

Wide shot of three girls slowly popping up from a big bush. All looking through binoculars and in all black.

Amorette: THERE'S A FUCKING SPIDER ON ME YOU GUYS!

All of them scream hysterically.

Brett: It's like I can almost hear the mating call.

Tim: What?

Brett: What?

All three girls sit at a long table with branches in their hair and dirt all over them.

All furiously look through notes and past cases.

CELL PHONE RINGS

Valerie: Did you get it?

All three wake up from their positions on the table.

Hope: Not yet.

Claudia yawns, takes the cell from Hope.

Claudia: Honey, my gaydar is blasting.

Valerie: Huh?

In front of glass building, Brett stands next to Tim. Both talk intensely.

All three and Valerie hide behind bushes and a trash can with binoculars.

Claudia crouches behind Amorette while sipping smoothie.

The boys peck one another and hold hands walking towards the glass building.

Hope, Amorette, and Valerie all drop their smoothies.

Caludia: Fuckin' called it.

Hope: Not again...

Valarie drops her head into her hands and sobs.

Amorette looks into the camera despairingly like in The Office.

Full Screen words behind a rainbow background: Baewatch. Watch on Youtube this Summer.
